To Our Readers

TO each of its readers, Star Needlework Journal wishes in 1925 the best of health, happiness and prosperity—not too many New Year resolutions but just enough to carry out comfortably and give the joy of accomplishment.

Again our New Year resolution is—A Star Needlework Journal that will more widely meet the requirements of its readers. But this time the vision of what that means is bigger and broader than it has ever been before. We want the Journal to be more yours and to make it so, we are opening a column to our readers and ask each to express her opinions and to seek any information she may wish in regard to needlework subjects. Have you read the column on page 9?

If you are finding in the Journal not only designs which you can reproduce exactly but also ideas which you can adapt to your own uses, we believe that you are enjoying your needlework to a much greater extent than the person who only copies.

Just think of the many possibilities there are for further uses and developments of the motifs which make up the curtains, scarf and pillow on pages 14 and 15. Besides there are edgings in crochet, tatting and Armenian needlepoint to employ as fancy dictates.

Knitted bags are decorated with wooden beads in a most satisfying manner and the bags are a joy to use, they are so light and also are much more quickly made than those where the smaller beads are used. Because we can't imagine a luncheon set that by its very crispness and simplicity would add more to the daintiness of a meal than the one on page 7, we wish to call it to your special attention.

Being mindful of the wishes of some of our readers who ask for more elaborate crochet designs we have given a very beautiful design on page 8.

The price of the STAR NEEDLEWORK JOURNAL is 40 cents the year, single copies 10 cents. It is published quarterly. Subscriptions date from the current issue unless otherwise instructed. In sending in subscriptions be sure to give your full name and address and rural free delivery if necessary.

A Tea Apron of Yellow and Black

Designed by
Helene Gebhart

No. B-136

This design can be transferred to material by placing apron over diagram and tracing it with a lead pencil.

Apron No. B-136

MATERIALS REQUIRED: 6 skeins of The American Thread Company's "Silkine" Art Thread, Article 50, one skein each of the following shades: 1072, 1074, 1112, 1006, 1013 and 1151; $\frac{3}{4}$ yd. of 36 in. material, $2\frac{1}{4}$ yds. lace and $1\frac{1}{4}$ yds. ribbon. Pale yellow voile and black lace were used for this little apron.

Flowers: Using the full six strands, wind cotton around finger 24 times, slip off the finger, work over threads two or three times and fasten with a needle and thread. Make two flowers with shade No. 1074, one of shade No. 1072 and two with shade No. 1112. Arrange in position according to large illustration and couch down with black. Three yellow French knots in each center finish the flowers. The leaves are made of five or six loops tacked at the top and base of leaf with the same shade and finished with tiny running stitches through the center. When complete the apron is 23 inches long and 27 inches wide shaped at the bottom as illustrated. Make a three-inch hem at the top and shir sides to shape. The straight lines in the body of apron and the center of the belt are worked in small running stitches using two strands of black. Finish with lace and ties.

Linen of Golden Hue for the Luncheon Table

*Designed by
Cecilia Vanek*

Luncheon Set No. B-142

MATERIALS REQUIRED: 6 skeins of The American Thread Company's "Silkine" Art Thread, Article 50, Shade No. 1007; 1½ yds. of

white and 1¼ yds. of gold color linen, 36 inches wide will make the tea cloth and six 12-inch napkins. Transfer pattern for the design will be found in the center of this book.

Cut linen for cloth 36 inches square and for napkins 11½ inches. Draw six threads one-quarter inch from each side of cloth. Work two more rows of hemstitching three and one-half inches apart beginning each row one and a half inch from hem, making the outer row twelve inches long and the other nine inches.

Cut 5 yds. of 5½-inch strips of gold linen and seam them together. Turn down ¼ inch each side, fold through the center and press flat. Baste to white linen very carefully with small stitches, first one side, then the other, taking care to have the edges of yellow linen meet. The corners are mitered.

Cut four 4-inch squares; baste in position as illustrated and work all double hemstitching with two strands of gold thread. When hemstitching the fold around the edge of cloth, both edges of gold linen must be picked up. This is not difficult if the basting is carefully done. The hem on the napkins is one

inch wide. Only five threads are drawn for the hemstitching. The first row in the design is 4 inches long and ¾ inch from hem and the second 3 inches long and 1¼ inches from last row.

The linen squares measure 1¾ inches, only one is required for each napkin and three small squares of design on each side of corner. Work the design in the straight satin stitch using three strands of cotton.

(No. 403—Continued from page 5)

6th row—Sl st across one loop and to center of next loop, * ch 12, sl st in next loop, ch 7, thread over three times, insert in center of next loop, work off two loops on needle, * thread over twice, insert in same space, work off two loops, repeat from * twice, work off two loops, work off all loops on needle, repeat petal in next loop, ch 7, sl st in next loop, repeat from * all around.

7th row—Ch 3, * 10 s c over loop, ch 7, work 3 petals in top of two petals with 5 chains between each petal, ch 7, repeat from * all around.

8th row—Sl st to center s c, picot, ch 4, 4 s c over last 4 sts of loop, 3 s c, p, 3 s c over next loop, 3 s c, p, 3 s c over next loop, 4 s c over first 4 sts of next loop, ch 4, picot in center s c of next loop and continue all around.

Observations of Our Readers

AMONG the letters received from our subscribers are two coming from opposite directions but which arrived at almost the same time. The opinions which they express are as far apart as the sources from which they came and it is because we want to know just how you feel that we are quoting from both. These letters were received on October 10th, 1924.

Do you agree with this lady? Is the Star Needlework Journal not as good as it used to be?

She says, "I have taken the Journal ever since it has been published and I think without exception this is the poorest one you have ever sent out. I suppose some workers will like the simple edgings, etc., but after the beautiful things you have had, this is an awful come down. And just before Christmas, too. Your colored cross stitch designs were lovely."

Or, do you think this lady, who says the following, is right?

"This Journal is a real treasure chest. I have found so many ideas that were just what I wanted for Christmas gifts. One of the pillow case designs made some dear little tea napkins. The curtain design I used on an apron and the luncheon set pattern I worked on towels and I expect to make a number of other things as well."

Do YOU wish more space devoted to elaborate patterns, or do you prefer the quickly worked designs that will allow time for a greater number of pieces. It is only by telling us the kind of needlework that you like best that we can be sure of giving you what you want.

Designed by Cecilia Vanek

Apron No. B-132

MATERIALS REQUIRED: 14 skeins of The American Thread Company's "Silkine" Art Thread, Article 50, in the following shades: 6 skeins each of shades No. 1074 Art Pink and 1093 Lilac and 2 skeins of No. 1006 Yellow; 1¼ yds. of material 36 in. wide. The one illustrated is made of Kiddie Cloth in Sage Green. Cut out corners at top of apron, making the bib 11 in. wide and 9 in. deep. Straps cut from width of material measure 1½ by 27 inches and cross in the back. Baste a narrow hem all around apron. With shade No. 1074 using the full 6 strands of cotton, insert the needle in the center of the hem and make a stitch a little below the hem slanting the stitch as for a cross stitch, bring the needle up in hem again ¼ in. from last stitch and back into the same place below the hem. Continue all around.

With lavender, make a row of cross stitches tacked in the center with a short stitch using Shade No. 1006 and work another row of stitches same as first row.

Apron No. B-133

MATERIALS REQUIRED: 6 skeins of The American Thread Company's "Silkine" Art Thread, Article 50, 4 skeins of Shade No. 1074 and one skein each of Shades No. 1047 and 1113. 1¼ yds. of tan and ¾ yd. of brown material 36 in. wide. Transfer pattern for the design will be found in the center of the book.

The apron is 18 inches wide. Cut the neck square making the shoulders 5 in.

wide. The back meets the waistline and is finished with a 2½ in. belt made long enough to fasten in the front. The band at the bottom is 9 in. deep and pocket 8 in. wide and 6½ in. deep shaped as illustrated. A narrow binding of the same material finishes the sides and neck. The design is worked in the long and short Kensington Stitch using Shade No. 1074 for the outer edge and No. 1113 for the shading. The centers are developed in brown using three strands of cotton throughout. Finish all edges with the slanting buttonhole stitch.

No. B-134

X 1009 • 1114 ■ 1151

Scarf No. B-134

MATERIALS REQUIRED:
5/8 yd. Monk's Cloth,
50 in. wide; 12 skeins of
The American Thread Com-
pany's "Silkine" Art
Thread, 5 skeins black No.
1151, 4 skeins Orange No.
1009 and 3 skeins Blue No.
1114. Make a fringe at

each end of material 8 in. deep, lay a single fold down one side of scarf and buttonhole with black, working three stitches and leaving space for three stitches which are worked in orange. Work cross stitch pattern according to chart as illustrated and finish second side of scarf when cross stitch is completed. The fringe is double knotted, as illustrated.

Cross-stitch is worked over a canvas or over the threads of a square mesh material in a similar manner. When doing this type of embroidery be careful to have the first stitch of each cross running in the same direction, it will naturally follow that the second or top stitches will also all run in the same direction. In this way the play of light and shade is equal over the entire piece of work and the result most satisfactory.

Scarf No. B-135

MATERIALS REQUIRED: Two skeins of The American Thread Company's "Silkine" Floss, Article 110, 1 skein

each of sizes 14 and 18 White. One yard of white linen, 18 inches wide.

Perforated paper pattern 50 cents.

Open work square. Draw six threads 1/2 inch from each side and five threads in the center of the small square. Pick up three threads of linen and using cotton size 18, work over and over to other side of hemstitching, continue until all threads have been picked up working the spider in corners when working the second side of each corner. Buttonhole the lines outlining the square.

Scrolls—To make bars, fasten thread at right side of scroll, carry it to left side, back to right and again to left, these are foundation threads, buttonhole over threads, continue bars and buttonhole scrolls.

Work the leaves in satin stitch, outlining the stems. Dots may be worked in solid satin stitch or eyelets.

Edge—Work one row of running stitches all around and work a buttonhole stitch over this for 1/4 inch, catch thread in 1st st, * join again in last st, back to first st and work a buttonhole st over half of loop, picot (make a loose st in top of last st and work 3 buttonhole sts into st) buttonhole over remainder of loop, buttonhole for 1/4 inch, picot, buttonhole for 1/2 inch, catch thread in center of last space and repeat from * all around.

One Makes This Lace With a Sewing Needle

Armenian Needlepoint Stitches

ARMENIAN LOOP: To commence work, hold the end of thread down on material, insert the needle in material pointing away from you and under the thread, take thread nearest eye of the needle and place under and over needle, pull through and tighten knot. Insert needle in material about one-quarter of an inch from last stitch and repeat knot. Continue for desired length taking care to keep loops even. All succeeding rows of loops are worked in the loops of previous row.

Loops made on the width: At the end of thread, make a loop (ill. No. 1, chart No. 1), make a loop at side of loop just made (ill. No. 2), turn, continue making loops (ill. No. 3) for desired width. Work loops into side of loops (ill. No. 4) for required number of rows. To make scallops, follow ill. No. 5.

Cluster Stitch: Fasten thread in small loop, make a real long loop in next loop (ill. No. 1, chart No. 2), a long loop to top of loop just made (ill. No. 2), a long loop to base of loop (ill. No. 3). Place needle through at top under both loops and working thread (ill. No. 4) and make another loop, one long loop to base of loop, place needle under loops (ill. No. 5) and make a knot directly below other knots (ill. No. 6).

Edging No. 129

MATERIALS REQUIRED: The American Thread Company's "Star" Crochet Cotton, Article 10, or "Silkine" Crochet Cotton, Article 30, size 50 white.

This is worked on the width. Work 4 rows of 3 small loops, skip one loop at side and make a long loop in next loop, work 7 short loops or picots over long loop, * work 4 rows of 3 loops, one long loop into 3rd picot of scallop, work 7 picots over loop and repeat from * for desired length.

in the following shades will complete the whole set: 6 skeins each of Shades No. 1441 Gold, No. 1443 Brown, 3 skeins each of Shades No. 1446 Brown and No. 1462 Blue; perforated paper pattern, 75 cents.

Curtains to fit the average sized window requires $2\frac{1}{4}$ yds. of 54 inch material, $12\frac{1}{2}$ yds. of braid, 2 skeins each of Shades No. 1441 and No. 1443, one skein each of Shades No. 1446 and No. 1462. Cut two pieces 17 inches wide. The remainder of the material will make the valance which is 15 inches deep and should be made the length required to fit the window.

The scarf is 45 inches long and 18 inches wide and requires 2 skeins each of Shades No. 1441 and No. 1443 and 1 skein each of Shades No. 1446 and No. 1462 and $3\frac{3}{4}$ yds. of braid.

A pillow like the one illustrated requires $\frac{1}{2}$ yd. of material and 1 skein of each shade of cotton. With the aid of the full sized illustration, the design is simple to develop. Six strands of cotton are used throughout. The outer edge of the flower motif is worked with gold No. 1441, Shade No. 1443 is used in the second row and blue in the third row. The stitches in the second and third row are not quite as close together as those in the first row. Four rows of French knots finish the flowers alternating Shade No. 1446 and 1441.

No. B-139

THIS set may be made of any material suitable for hangings. The one illustrated is made of burlap in a pretty shade of delft blue embroidered in gold and blue and trimmed with blue and gold colored braid. Materials required: 18 skeins of The American Thread Company's "Silkine" Art Thread, Article 50,

Large leaves are commenced with Shade No. 1443 and shaded with 1447. Side veins are outlined in blue and the center vein in gold. Small leaves are worked in the loop stitch with Shade No. 1443 and one stitch of blue through the center. All single lines are worked in $\frac{1}{4}$ in. running stitches, one row with gold and a second row with brown No. 1443.

Touches of Individuality on Simple Frocks

No. B-140

Dress No. B-140

MATERIALS REQUIRED: 2 skeins of The American Thread Company's "Silkine" Art Thread, Article 50, one skein each of white No. 1001 and pink No. 1023. Transfer pattern for the little design will be found in the center of this book. A perfectly plain dress made of dainty inexpensive material will be made attractive by adding this bit of embroidery worked in pink and white or blue and white. The work is simple, solid slanting stitch throughout except the stems which are outlined. Work the flowers and bow knots in white and the remainder of the design in color. The dress illustrated will fit a two year old child.

Dress No. B-141

MATERIALS REQUIRED: 2 skeins of The American Thread Company's "Silkine" Embroidery Cotton, Article 40, Black, $1\frac{1}{4}$ yds. of Indian Head or Chambray in pink. Transfer pattern for the bunnies will be found in this issue of the Journal. The dress is so very simple to make that no pattern is required. Fold the material in half so that the fold will come on top of shoulder. Make dress 25 inches across the bottom of the skirt and 16 inches wide at under arms. The sleeves should be 4 inches long and 5 inches (for half) wide. Curve underarm seam as illustrated. Cut out neck any shape desired large enough to pull over the head. Sew up seams and baste a narrow hem around sleeves and neck.

No. B-141

Designed by Cecilia Vanek

Border: Make one row of running stitches $\frac{1}{4}$ inch long over hem and to form decorative lines. The second row of stitching is composed of V shaped stitches directly below running stitches finishing border with another row of running stitches. Work in outline stitch the lines indicated on bunny, cut out, allowing $\frac{1}{4}$ inch for turning and baste a narrow hem all around. Arrange in position as illustrated and applique with a buttonhole stitch leaving the upper part of bunny's back free to form pocket.

Laundering Colored Embroideries

IN boiling water dissolve a sufficient quantity of pure soap to make a good lather. Add cold water till the temperature is comfortable for the hands. Wash the article with as little rubbing as possible and rinse first in tepid water and then through several cold waters till all soap has been removed. Lay flat on a turkish towel and roll the two together so that the embroidered piece is not folded against itself in any place, wring hard and quickly, work is now ready for ironing. Press quickly on wrong side with a moderately hot iron placing a cloth over embroidery.

396 Black, reverse pattern, 66 black. This is for half of bag. Cast on 34 stitches. 1st row—Knit plain.

2nd row—Knit 1, bead, k 1, bead, to end of row. Repeat 1st and 2nd rows having 33 beads in row for 32 bead rows. String other side of bag to correspond, knit, bind off and sew up sides of bag.

Beading—String remainder of black beads, attach cotton to top of bag, ch 3, 1 tr c in next st, ch 2, skip 2 sts, 2 tr c with beads in next st. (To crochet in beads, thread over twice, pull through st, 1 bead over 2 sts, 1 bead over 2 sts, 1 bead over 2 sts.)

Alternate tr c with and without beads around bag and join. Sl st to chain, ch 3, 1 tr c, same as previous row having tr c in ch 2, join.

Shell st, ch 3 with bead in each stitch, 2 tr c with beads in center of 2 tr c, s c in next group of tr c. Repeat all around.

Fringe—Attach cotton in corner between 2 colored rows, string 25 colored beads, fasten ¼ in. beyond. There should be 20 fringes across. Draw cord through beading rows, running it under tr c with beads.

Abbreviations Used in Knitting

Knit—K
Purl—P
Stitch—St
Stitches—Sts

* means that whatever directions are given between stars (*) must be repeated before proceeding further with directions that follow.

A row is to knit once across the work when two needles are employed.

The term rib is generally used when speaking of garter stitch or plain knitting on two needles and is two rows of knitting.

To decrease, knit two stitches as one.

To increase, make two stitches into one by knitting one stitch and without removing the stitch from the left hand needle work a purl stitch into it. This does not leave a large space or hole in the work. When a hole is desired to form a pattern add a stitch by throwing thread over right hand needle.

Abbreviations and Tatting Helps

d, double stitch
p, picot
1p, long picot
sp, short picot
r, ring
ch, chain

Tatting is worked with one or two threads. One when the design is composed entirely of rings and two if the rings are joined by bars or chains of tatting.

The second thread may be wound on a second shuttle or worked directly from the ball. There is only one stitch in general use in tatting which is known as a double stitch.

To make a ring encircle all fingers of left hand with thread crossing between thumb and forefinger, spreading fingers enough to hold thread taut. Hold shuttle in the right hand. Pass shuttle under and over left hand thread and under right hand thread, allowing left hand thread to slacken till right hand thread is pulled tight, this forms first half of stitch. For second half pass shuttle over and under left hand thread and over right hand thread, pulling these threads tight in the same manner.

To make a chain—Tie threads together hold join between thumb and second finger of left hand and with first finger outstretched wind thread around it two or three times allowing second shuttle to drop.

Sts for chain are made with the thread between first and second fingers in the same manner as ring sts.

Put up in most convenient form for Tatting edgings and insertions and for use upon handkerchiefs, underwear, etc.

Article 30—"SILKINE" CROCHET, Yardage Basis,
Trade Mark **Balls, White and Colors.**

An exceptionally brilliant Crochet Cotton, so smoothly spun and so perfectly twisted as to give to the finished work a distinctive "lacey" feel.

Article 40—"SILKINE" EMBROIDERY, Skeins,
Trade Mark **in White, 2 sizes in Colors.**

Rope, medium and fine—soft twist—in White for button-holing, hardanger and hedebo work—Rope and Medium sizes in colors for floral and other embroidery.

Article 50—"SILKINE" ART THREAD, Six Strands,
Trade Mark **Skeins, White and Colors.**

Made in a large variety of artistic shades six-strand thread being easily divided is the best general purpose embroidery thread.

Article 60—"SILKINE" EMBROIDERY FLOSS,
Trade Mark **Four Strands, 50 Yard Balls, Snow White.**

A soft divisible cotton of brilliant lustre, which is suitable for satin stitch, shadow-work and fancy stitches, also as a foundation for initials, monograms and heavy embroidery.

Article 70—"SILKINE" EMBROIDERY FLOSS,
Trade Mark **Four Strands, 25 Yard Balls, Snow White and Colors.**

Excellent for padding and for fine embroidery, as the strands may be readily split—giving four sizes of thread from the one ball.

Article 80—"SILKINE" PEARL COTTON, Twisted
Trade Mark **Skeins, 4 Sizes White.**
Sizes 3 and 5 in colors.

For heavy embroidery, crocheted towel borders or where frequent laundering is required.

Article 90—"SILKINE" PEARL COTTON, Yardage
